

Township of  
**Wellington  
North**

## **NOTICE**

**Attention:** Industrial/Commercial/Institutional  
Water Users

This notice serves as a reminder that if you encounter a problem with our backflow preventer or water meter to immediately notify the Township of Wellington North Water Department (519) 848-5327. The Township will arrange to have the problem resolved. **DO NOT** attempt to remove or fix the appurtenance(s) yourself.
