Cultural Events Funding and Sponsorship Guideline

PURPOSE OF THE FUNDS:

The Wellington North Cultural Roundtable values the important role that not-for-profit community organizations and community groups play in delivering events and projects that support our community.

Funding as it relates to the ***sponsorship/ promotion of culturally significant initiatives*** such as the promotion of the arts, live arts, exhibitions and/or oral storytelling shall be directed to apply to ***Wellington North's Cultural Events Funding***. The Events Funding and Sponsorship initiative provides funding aimed at enabling local community groups and organizations to incorporate culturally significant elements to their existing events, programs and projects.

This fund provides an opportunity to do more than just financially support a project or group and is intended to facilitate the provision of ongoing benefits to the community.

FUNDING:

Funding will be made available through the Wellington North's Cultural Roundtable Programming Funding to eligible organizations through a competitive process. The total amount available for each year is limited at \$2,000 for events, programs and projects.

COMMITTEE REVIEW PROCESS:

The Cultural Roundtable will accept applications on a first come, first service basis, host a discussion at their monthly meeting and make a recommendation to support the funding based on the application meeting the programs objectives.

Events and projects should be developed using a high degree of participation and engagement with community during the planning and development stages. Partnerships between organizations to deliver events and projects are strongly encouraged.

- Organizations seeking retrospective funding for events or projects that have already started or have been completed will not receive funding.
