Wellington North, ON-CAO Mike Givens Accepts Position with Perth East

Township of Wellington North Council will begin the search for a new Chief Administrative Officer (CAO) as current CAO Mike Givens announces his resignation. Givens will move on to the Township of Perth East as their next CAO.

Mayor Andy Lennox says, "On behalf of the entire Township, I would like to thank CAO Givens. Mike has made many contributions to our community and successfully led our organization for the past 9 years, including through the difficult challenges of the COVID-19 pandemic. Mike's leadership has helped build a professional organization, focussed on teamwork, excellent delivery of municipal services, fiscal responsibility, and well thought out decisions. We wish Mike and his family all the best in his next chapter."

Givens began with the Township in July of 2012 as Treasurer and was appointed CAO in September of 2013.

CAO Givens adds, "I appreciate the many opportunities that Wellington North has afforded me over the years. It has been a privilege to be part of a team that is committed to the community and understands what it means to be part of public service. We all worked daily to make things better, to serve and I know that will continue after I have gone. There is much positive on the horizon for Wellington North, and I know that Council and staff will do all they can to ensure continued success."
