If the Township of Wellington North has not been contacted - or the persons at the emergency numbers cannot be reached, the local authorities will be called to locate the parent or guardian.
- Camps run from 9:00am-4:00pm unless otherwise indicated.

Camp Attendance

Attendance is taken each morning and at various times throughout the day. If your camper is going to be absent, late, or leave early, please email the Day Camp Site Leader, Day Camp Coordinator, or send a written note to camp prior to the absence.

What to Bring Daily - Please label all items!

- Nutritious peanut and tree nut free lunch. Morning and afternoon snack
- Water bottle
- A hat
- Swimsuit and towel
- Suitable clothing for the weather
- Appropriate footwear
- Waterproof sunscreen, please arrive with it already applied as staff cannot assist
- A smile!

What not to bring – Please leave valuable personal items at home, the Township of Wellington North is not responsible for lost or stolen items.

- Money
- Electronics (cell phones, electronic games, etc.)
- Toys (popits, stuffed animals, etc.)
- Inappropriate objects

Lost and Found

There will be a lost and found bin on site and staff will work with parents to locate missing items. We strongly encourage campers to check for their personal belongings before leaving for the day.

Quality Supervision

Our staff to camper ratios reflect our commitment to quality program supervision. Our camps operate with a ratio of 1 leader for every 10 campers. All staff are certified in Standard First Aid, CPR C and require a criminal reference check. In addition, they are trained to interact with children in a positive and developmentally appropriate manner as all camp staff are certified in the HIGH FIVE - Principles of Healthy Child Development.

Lunches and Snacks

For the safety of those with life-threatening allergies, our camps are a "nut aware" environment. If any additional allergies are identified, they will be listed in the weekly newsletter prior to each session, so snacks and lunches can be prepared accordingly. We ask that all families do not send peanut or nut products to camp. Please send energizing snacks including fruits and vegetables.

Inclusion at Camp

Campers with support needs that are not met by large group supervision ratios, are welcome to bring a volunteer or family member, 16 years of age or older, to join them and support in this capacity.

Camp Attire

Campers should come ready for fun! Please send clothes that are comfortable to move in, and that can get messy.

Inclement Weather

Rain or shine, we're here to play! We plan a majority of our camp day to be outside, though during inclement weather, the program will relocate inside. A movie (rated G or PG) may be shown in the event of inclement weather - please contact the Day Camp Coordinator with questions regarding the choice of movie.

Swimming

Regardless of swimming ability, all campers must wear a lifejacket while on the deck or in the water during the Day Camp designated swim time.

Camper Behaviour Expectations

We want to ensure all campers have a fun, rewarding, memorable and safe experience while participating in our program. Providing a safe environment is a collaborative process. We ask that parents/guardians share the following camp rules/guidelines with their child/ren:

- Respect others and their property
- Hands off
- No bullying behavior
- Listen to the Leaders
- Stay with the group
- Use appropriate language
- Follow all health and safety related instructions provided by camp staff which include physical distancing, respiratory etiquette, and frequent handwashing.

We will provide alternative programming that helps campers integrate into camp routines, however, we are unable to provide this for extended periods of time. If a camper needs to be repeatedly withdrawn from activities and if their behaviour is deemed to be a threat, to either their own safety, or the safety of others, we will not be able to accommodate them. Parent conferences may be required to address concerns at any step in this system. **Physical aggression and/or bullying behaviour towards another person or oneself may require a temporary or full suspension from camp.**

Respect yourself: Come to camp with a positive attitude and participate so you can have the best experience!

Respect others: Stay out of other's personal space, speak nicely to others, and listen to your leaders.

Respect property and the facility: Touch only what belongs to you, stay within the activity area, and clean up after yourself.

Medical Information

Please ensure camper medical information is updated during registration, and updated if needs change, including an emergency contact. Should a camper require medication while at camp, please inform the Day Camp Site Leader and complete the Medical Administration Form. The Medical Administration Form must be completed before medication can be accepted. Medication must be in the original container with its original label. No over the counter medications can be used without written instructions from a physician. All medications will be stored in a locked box, with the exception of auto injectors and inhalers, which are carried by the camper in a waist pouch.

Staff do not administer medication but will supervise campers capable of administering their own. In the case of a life-threatening situation where the camper is unable to administer medication such as an auto injector or asthma inhalers, staff will assist.

In the event of a medical emergency, camp staff, recreation staff and/or lifeguards will provide immediate medical treatment, including follow-up with EMS if necessary. Parents will be notified in the event of a medical emergency.
