Gross floor area calculations</li> </ol> </li> <li>4. Fully completed application form</li> </ol>

**Note: One set of construction drawings are required if not submitting electronically.**

Electronic submissions are to be made in a Portable Document Format (PDF). Plans, specifications, documents, and other information are to be legible when printed to scale. Drawings to be a maximum size of 11” x 17” and shall be complete, fully dimensioned and to scale.

PDF submissions shall have layers unlocked to permit mark-ups and additional notes by the Chief Building Official or designate.

## Where to apply for building permit

All Building permit applications along with supporting documents may be submitted by email to [djones@wellington-north.com](mailto:djones@wellington-north.com). If you do not have access to a method of emailing building permit applications, there is a drop box at the Municipal Office at 7490 Sideroad 7 W, Kenilworth, ON.

### Office Hours:

Monday to Friday  
8:30 a.m. – 4:30 p.m.

### Any Questions?

Phone: 519-848-3620, Ext. 5  
Web: [www.wellington-north.com](http://www.wellington-north.com)

## Cost of building permit

Refer to Fees & Charges: Various Services By-Law, Schedule “B” for most recent fees. We accept cheque, cash, debit or electronic transfer to [accounting@wellington-north.com](mailto:accounting@wellington-north.com) as methods of payment. This includes the review of drawings, the building permit and building inspections.

### Development Charges:

- Township of Wellington North Development Charges By-Law
- County of Wellington Development Charges
- Upper Grand District School Board Education Development Charges
- Wellington Catholic District School Board Education Development Charges

## Processing Time Line

Once a **complete** permit application is received, the permit will be reviewed within a maximum of 10 business days.

## Required Building Inspections

Building inspections are booked a minimum of 24 hours in advance, by calling (519) 848-3620, Extension 5. YOU MUST QUOTE YOUR PERMIT NUMBER TO BOOK THE INSPECTION.

Required inspections may include:

- Excavation/footing inspection – Once the holes have been dug, but prior to concrete being poured
- Substantial completion of footings and foundation prior to commencement of backfilling
- Sewage connection prior to backfill
- Structural Framing inspection – Once the framing is complete (posts, beams, joists)
- Substantial completion of all fire separations and closures and all fire protection systems
- Drainage systems and venting systems
- Substantial completion of insulation, vapour barriers and air barriers
- Completion of construction and installation of components required to permit the issue of an occupancy permit
- Final Building inspection – Completion of the project.
