TOWNSHIP OF WELLINGTON NORTH

PUBLIC MEETING - MINUTES

Monday, January 11, 2010

The Public Meeting was held Monday, January 11, 2010 at 7:00 p.m. at the Township of Wellington North Council Chambers, Kenilworth to consider a Zoning Amendment application.

Present:

Mayor: Mike Broomhead
Councillors: Ross Chaulk
Bob Mason
Dan Yake

Also Present:

C.A.O./Clerk: Lorraine Heinbuch
Executive Assistant: Cathy Conrad
Township Planner: Linda Redmond

Absent:

Councillor: John Matusinec

Mayor Broomhead called the meeting to order.

Declaration of Pecuniary Interest:

None

Owner/Applicant: Albert, Theresa, Leonard and Matthew Coffey

THE LOCATION being rezoned is in Lot 22, Concession B, former Peel Township with a civic address of 7598 Hwy 6.

THE PURPOSE AND EFFECT of the zone amendment is to rezone the subject lands to restrict any residential development on the retained portion of the property; remove the site specific zoning on the retained lands, while retaining the site specific exemption on the severed parcel; and, restrict the keeping of livestock on the severed parcel, in order to comply with Minimum Distance Separation (MDS) requirements. This amendment will fulfill a condition of approval for consent application B122/09 that was granted provisional consent on October 14, 2009. The consent severed the farm dwelling from the agricultural parcel under the surplus farm dwelling policies.

Please note – Section 34 (12) of the Planning Act.

(12) Information. – At a meeting under subsection (12), the council shall ensure that information is made available to the public regarding the power of the Municipal Board under subsection (14.1) to dismiss an appeal if an appellant has not provided the council with oral submissions at a public meeting or written submissions before a By-law is passed.

1. Notice for this public meeting was sent to required agencies and property owners within 120 m as well as posted on the property on December 16th, 2009.
2. Presentations by:
 - Linda Redmond, Township Planner

Ms. Redmond reviewed her correspondence dated January 4, 2010. The zoning amendment is required as a condition of provisional consent (B122/09) by the Wellington County Land Division Committee. The Planning Department has no objection to implementing this decision. Both the Provincial Policy Statement and the Wellington County Official Plan provide for surplus farm dwelling severances, provided the retained (farmed) lands are rezoned to prohibit future residential dwellings.

The consent severed the farm dwelling from the agricultural parcel under the surplus farm dwelling policies. The property is currently zoned Agricultural Exception (A-59) to permit a contractor's yard. The zone amendment will address the following three issues: rezone the subject lands to restrict any residential development on the retained portion of the property; remove the site specific zoning on the retained lands, while retaining the site specific exemption on the severed parcel; and, restrict the keeping of livestock on the severed parcel, in order to comply with Minimum Distance Separation (MDS) requirements.

2. Presentations by:

- Linda Redmond, Township Planner (continued)

The subject lands are zoned Agricultural (A-59) and Natural Environment (NE). The site specific is to allow a contractors yard on the subject lands in addition to the existing residence. The parcel containing the residence will also contain the contractors business which is located within the existing farm building. A draft by-law will add a clause to the site specific to restrict any keeping of livestock on this small parcel. The draft by-law also includes a clause to restrict a residential dwelling on the farm (retained) parcel as required as per the above policies.

3. Review of Correspondence received by the Township:

- Pasquale Costanzo, Wellington County Engineering Services
 - No objection
- Ian Smyth, Ministry of Transportation
 - No concerns

4. The by-law will be considered at the Regular Council Meeting following the Public Meetings. Mayor Broomhead asked those wishing to receive further notices regarding this application to make their request in writing.

5. Mayor Broomhead opened the floor for any questions/comments.

None.

6. Comments/questions from Council.

Council questioned the irregular shaped parcels created by this type of severance, MDS and the future possibility of farmland owners wishing to build on lands zoned to restrict residential dwellings, as there seems to be a large number of this type of severance being applied for.

Ms. Redmond explained that in this particular case the applicant had pre-consulted with her. The applicant had to provide information regarding the farm owner that will farm the retained lands. This farmer is one of the current owners and owns farmland adjacent to the subject property. There is no impact as a result of this severance and zoning amendment. A livestock facility could be built on the retained lands.

Ms. Redmond indicated that future requests for zoning amendments to allow residential dwellings on farmlands with this restriction are possible. Anyone wanting to build a dwelling on the lands would have to come before Council for approval of a zoning amendment. The Provincial Policy Statement recommends this type of severance and zoning.

MAYOR

December 6, 2009

Mr. Mike Broomhead and Council,

Re: Terry Fox Run

The following letter is to inform you and council that we are planning the next Arthur Terry Fox Run for Sunday September 19, 2010. The run will take place between the hours of 1:30 pm – 4:30 pm.

With your permission we are hoping to have the starting/finish station at the Optimist Pavilion, in the Arthur Ball Park.

In the past we paid a rental fee for the park use. At the same time council has given us a donation towards the run.

If at all possible we would like to suggest to council that the rental cost of the Optimist Pavilion Park be budgeted into Wellington North's yearly planning. This would help us to keep our cost to a minimum so as to forward all monies raised to the Terry Fox Foundation.

The Terry Fox Foundation is encouraging us to use volunteer facilities and people as much as possible so that all money received can be put directly towards cancer research.

If need be, on behalf of our committee I can attend a council meeting to answer any questions that council may have about our proposal.

Sincerely,

Cliff Heffernan
