Off Leash Dog Park in Mount Forest - Joe Wettlaufer  RESOLUTION 2021-024 Moved by Member Yake Seconded by Mayor Lennox  <i>THAT Recreation, Parks and Leisure Committee direct staff to bring a report to a future meeting of Committee regarding off leash dog parks in Wellington North.</i>  <i>CARRIED</i>

On behalf of the residents of Mount Forest, Mr. Wettlaufer attended the meeting to get more information on the intention of the Township for the creation of an off-leash dog park in Mount Forest.

A dog park was identified as a recommendation in the 2018 Recreation Master Plan. At this time, a dog park is not part of the current Capital Budget plan. While not part of the current budget, it is part of the Master Plan and is still being considered for the future.

Member Yake identified that this is something that should be considered, however, location and safety are always a concern with dog parks.

Mayor Lennox asked if there was a group established to help with the care and maintenance of a dog park, as this is part of the master plan.

Mr. Wettlaufer replied that there was no group established, the group would be established after there was a site chosen, in accordance with the Master Plan recommendation.

After a discussion about possible Mount Forest locations, there was a direction to staff to prepare a report on possible locations and forming a committee to help with the planning process.

Joe Wettlaufer left the meeting.

RESOLUTION RPL 2021-025

Seconded By Mayor Lennox

*THAT the Recreation, Parks and Leisure Committee approve a \$200.00 budget for the design of a new logo and slogan for the Mount Forest Pool fundraising activities.*

Matthew Aston provided a verbal update. All Committee members were present at the May 18<sup>th</sup> meeting. The committee was successful in their application to the Community Grants and Donations Fund which will cover the hall rental for three Drive-Thru Chicken BBQ Fundraising Dinners. The Committee is exploring a memorial tree fundraiser and promotional materials. Committee has asked for a \$200 budget to have a new logo and slogan created to be used on promotional materials.

The Mount Forest Request for Proposal will go out in the fall looking for design proposals for the new pool.

The Committee asked staff for additional financial information regarding the splash pad. Staff will connect with the finance team and provide information at a future meeting.

2020 Parks and Recreation Financial Summary

RESOLUTION 2021-026

Moved By Mayor Lennox

Seconded By Member Yake

*THAT the Recreation, Parks and Leisure Committee receive for information report 2020 Parks and Recreation Financial Summary.*

*CARRIED*

Revenue was down a lot due to the pandemic, the recreation department aimed to offset this by reducing expenses, primarily through wages and utilities. The Arthur facility revenue was down by nearly \$130,000 but was offset by reducing expenses by nearly \$180,000. In Mount Forest, the revenue was down by nearly \$250,000 and was offset by reducing expenditures by almost \$264,000. As we continue into the pandemic, we can expect that there will be reduced revenues similarly for this operating year. It is hoped that there will be summer baseball and fall hockey that can increase revenues for this year.

Recreation department was praised by committee members for their efforts in reducing the expenses.

Drew Nelson Agreement – Ice Resurfacer

RESOLUTION 2021-027

Moved By Member Yake

Seconded By Mayor Lennox

*THAT the Recreation, Parks and Leisure Committee receive for information the Drew Nelson Ice Resurfacer Advertisement Agreement.*

*CARRIED*

Drew Nelson, in accordance with the original contract, was given the first right of refusal to renew his contract with the Township. The new advertising contract will begin August 1, 2021 and extend to July 31, 2025.

The committee expressed thanks to Drew Nelson for his commitment to the Township and the Recreation department.

COVID-19 Roadmap to Reopening

The Recreation Department is ahead of the reopening plan, in terms of reopening readiness. The playgrounds, fields and splash pads are ready. The pools will be ready for the end of Step 1. Step 2 allows for 10 people outdoors on the sports fields, but no team sport played. We will not see the return of team sports or indoor rentals until Step 3.

Mayor Lennox commented that the June 14<sup>th</sup> start date of Step 1 may be moved ahead a week and wanted the recreation department to be prepared for this.

Manager of Recreation Services has all amenities ready and can be prepared for an earlier reopen. The dates for the pools will remain at the end of June as with previous years.

#### **New Business/Roundtable**

##### **Splash Pads Reopening June 1, 2021**

The Splash Pads were inspected May 31. Mount Forest Splash Pad opened today, June 1 and the Arthur Splash Pad will open June 4, 2021 due to the construction at the OptiMrs Playground.

##### **Arthur OptiMrs Playground**

Arthur OptiMrs Playground construction is expected to be completed Friday, June 4<sup>th</sup>. There were some early complications due to COVID-19 and weather. The Arthur Outdoor Gym should also be completed this week.

Mayor Lennox questioned whether there would be a public opening of the Playground and gym. Recreation Community Coordinator answered that the Arthur BIA and Chamber are planning a virtual event for the Outdoor Gym. At this time nothing has been planned or scheduled for the Arthur OptiMrs playground. Member Yake noted there has not been an official opening of the Mount Forest Splash Pad yet.

##### **Roundtable**

CAO, Mike Givens, update the committee that the Recreation Department is working on a Green Inclusive Community Building Application, this would be to complete the work at the Arthur and Area Community Centre, for a project total of approximately \$4,500,000.

The Recreation Capital Program this year was extremely aggressive. The recreation programming, due to COVID-19 regulations and restrictions, has been very tumultuous, as has the repetitive reopening and closing of amenities in recreation. Due to these stressors, we should temper some expectations of recreation. The idea of a Dog Park in Mount Forest is a great idea; however, the committee should recognize that the Recreation staff is spread thin already. There is a lot of pressure for recreation with ideas that come before the department.

Recreation, Culture and Leisure Committee deputation by Joe Wettlaufer on “Off-Leash Dog Park” in Mount Forest, on June 1, 2021

### BACKGROUND

From 2018 Township Recreation Master Plan:

***Recommendations 47. Begin planning to create an off-leash park as a trial project. This will require: (a) a site evaluation exercise to consider appropriate site characteristics, compatibility and impacts, and design; and (b) identification of an organization to sponsor the park and oversee its management.***

At its June 1<sup>st</sup> meeting Committee carried the following resolution:

**THAT Recreation, Parks and Leisure Committee direct staff to bring a report to a future meeting of Committee regarding off leash dog parks in Wellington North.**

As detailed within the Recreation Master Plan (2018) recommendation the establishment of an off-leash dog park will require:

- (a) Site evaluation to consider appropriate site characteristics, compatibility, impacts and design; and
- (b) Identification of an organization to sponsor the park and oversee its management.

At this time, and given the current department workload, Township staff are recommending within this report that the team's 2021 project priorities be reconfirmed as: (1) Donald Family Ball Diamond upgrade and (2) development and issuance of a request for proposal document to engage a consultant to assist Township with creating an approved design concept for the new Mount Forest outdoor pool.

Township staff continue to work on the procurement associated within the Donald Family Ball Diamond upgrade, having issued request for quotation (RFQ) documents in late June, for closings in early July, for the fencing services and red clay supply and installation for the project. Township staff anticipate bringing the award of these RFQs to Township Council this summer with an aim on project completion in fall 2021.

With respect to the Mount Forest outdoor pool project, a conceptual design approved in the spring of 2022 should allow Township to proceed with detailed design in 2022 and construction in 2023. This timeline has been discussed with the Mount Forest Aquatics Ad Hoc committee.

That said, Township staff have had limited consultation with neighbouring municipalities about their experience with off-leash dog parks. The following is a summary of some of the items we have heard should be given consideration by any project team looking to create an off-leash dog park. They are recorded here for discussion and to get them on record.

- Size should be no less than 2 acres with fenced areas for small and large breed dogs.
- A parking lot, or safe area for vehicles to park, needs to be part of the plan.
- A water supply local to the dog park is very convenient.
- Preference should be given to locations which are at least 100 metres away from residential homes and any process to select a location should include public consultation.
- Operating hours are typically dusk to dawn, and it is open year-round.
- Garbage receptacles are necessary to be located for easy use by users. Some municipalities have found a closed-lid style unit keeps odour complaints down.
- Sustaining the surface or turf should be considered during the design of the park because it can be expected to be high volume usage, which tends to wear the grass away.
- Fencing height should be a minimum of five feet.
- Benches for sitting allow users to enjoy for longer hours.

- Local access to washroom is preferred.
- Shade should be given consideration by trees or pavilion.

### FINANCIAL CONSIDERATIONS

Within the Township's 2018 Development Charges Study the following was detailed:

Project	Projected Year	Estimated Budget
Arthur Dog Park	2025	\$50,000
Mount Forest Dog Park	2023	\$50,000

Township is also currently working on an update to the Township's Development Charges Study, and at this time (subject to change), Township staff have put forward the following:

Project	Projected Year	Estimated Budget
Arthur Dog Park	2026	\$50,000
Mount Forest Dog Park	2025	\$50,000

The Committee discussed creating a new logo along with a slogan for marketing, promotional and merchandise purposes. Many Committee members were in favour of creating a slogan that stood apart from the “High, Healthy, Happy” and “Simply Explore” slogans. The Committee would like to see different logo options presented for consideration on promotional material.

RESOLUTION: MFA 2021-018

Moved: Vern Job

Seconded: Ray Tout

THAT a \$200.00 budget be allocated for the design of a new logo and slogan for the Mount Forest Pool fundraising activities.

CARRIED

### **MEMORIAL TREE**

Sherry and Ray provided an update to Committee on the Memorial Tree program. Upon review, the sites identified by staff for the memorial tree park, were determined not suitable as the location and size of the sites would not meet the vision of the Committee. Sherry has reached out to Pine Corner Tree Farm near Teviotdale to receive quotes on the cost per tree including installation. The Committee recommended that Sherry and Ray connect with the Lions Foundation Memorial Forest located in Breslau, the Tiverton Lions Club, and the Palmerston Lions Club to seek information on their memorial tree programs. Vern will send contact information. Ray will take pictures of the Tiverton memorial park to share with Committee.

### **COMMUNITY DEVELOPMENT FUND**

The Committee was successful in their application to the Community Grants and Development Fund and received \$1,095.75 for the waiver of three non-prime hall rentals. This waiver of fees will be used to support the Mount Forest Lions Club in their efforts to host Drive-Thru Chicken BBQ Dinners. The next dinner is scheduled for July 27, and members of this Committee are welcome to help.

### **MOUNT FOREST POOL RFP**

Matthew provided an update to Committee regarding the Mount Forest Pool RFP. The intent is that the municipality will work on a Request For Proposal (RFP) for the concept design, including some of those features that we want to fundraise for. The township has approved \$51,000 for the design of the pool. This remains a priority for the township, however it is important to note that things are moving a little slower because of challenges associated with COVID-19.

### **PARTNERSHIP OPPORTUNITIES**

This Committee is interested in supporting the Mount Forest Lions Club in their fundraising initiatives, by offering person-power to support various activities. The Committee does not want to compete with other volunteer organizations and is looking to find unique ways to fundraise. The Committee would also like to reach out to 88.7 The River to host a radio-a-thon but wants to see this happen after corporate sponsorship has been explored.

Larissa expressed interest in hosting a Colour Run, similar to the event organized by the Youth Action Council a couple of years ago. She will look into more information and will report back to Committee.

In a typical year, the township opens the splash pads from June 1 to September 30. Direction to staff: Provide Jayme with information to post on social media.

#### Merchandise and Promotional Material

Member Lamont and Member Hewson provided the Committee with an update on the new logo design and promotional material. Committee provided feedback on the logo designs as presented with the following comments:

- The idea of using the 1989 est. to tie into the former pool is great, but it might be confusing for the public.
- Would like to see a stronger tie to aquatics, possibly by including a wave or splash.
- Could explore the option of including a mermaid or merman.
- Could have the MF or Mount Forest made smaller.
- Overall enjoy the clean look of the logo.

During this conversation, members also considered what the new Mount Forest Outdoor Pool name would be. Chair Burke indicated that a conversation regarding the name of the new Mount Forest Outdoor Pool had not been had at Council or Recreation, Parks and Leisure Committee.

The existing Mount Forest high diving board was discussed as a potential to include in the logo. Staff explained that at this time, no features for the new Mount Forest Outdoor Pool have been confirmed.

The Committee expressed a desire to have the logo approved at the next Recreation, Parks and Leisure Committee meeting. Staff advised that in order to meet the deadline to be included on the July 6 agenda, the revised logo would need Committee approval by June 29, 2021. Committee agreed that the revised logo, based on the comments received, would be voted on by email following the meeting.

In order to sell promotional materials, Member Lamont and Member Hewson asked about the possibility of creating a standalone website. Staff explained that the current Township website would not have the capability to support the sales of promotional material. Member Lamont will look into the costs associated with an Eventbrite site and report back to Committee at a later date. A new website would need to be endorsed by Council and Recreation, Parks and Leisure Committee.

Member Lamont and Member Hewson presented the package of promotional materials to the Committee and explained a desire to sell some items at the upcoming Downtown Mount Forest event. Committee expressed a desire to see a complete package of promotional material including the logo, cost of materials, profit margins, sample costs. Member Leach offered assistance in preparing a promotional material package.

#### Mount Forest Lion Roy Grant Pool

The Community Recreation Coordinator provided the Committee with an update on the Mount Forest Lion Roy Grant pool and explained that the pool opening has been delayed to July 12 in order to complete necessary emergency repairs to the shallow end liner. Both pools will be closed on Sundays due to staffing constraints. In addition, the daily schedule has been adjusted to provide more public swim and family swim opportunities. Lifeguards will perform screening of participants, prior to their admission to the facility.

**ROUNDTABLE**

Member Leach asked for an update on the Memorial Tree Program. Chair Burke explained that she and member Tout will be reaching out to Township staff and the Recreation Department as a next step.

The Director of Operations provided an update on the Mount Forest Outdoor Pool and the scope of the RFP as outlined below and requested staff circulate following the meeting.

**Scope of Work – General**

Proponents will be expected to provide three conceptual designs for an outdoor pool and aquatic facility at 851 Princess Street in Mount Forest. The portion of property at 851 Princess Street reserved for the future pool and aquatics facility is ~38 m street frontage along Princess Street and ~105 m deep.

The conceptual design phase of the project will see the successful proponent, at a minimum, develop the following:

Develop three conceptual designs for the basic model for an outdoor pool and aquatic facility;

- Prepare conceptual designs for five additional features that could be included within the design for the pool and aquatic facility;
- Develop high-level budgets (plus or minus thirty percent) for each concept and each additional feature including a projected annual operating costs;
- Meet twice (2) with staff – project kick-off meeting, design review;
- Meet once with Recreation, Parks and Leisure Committee and Mount Forest Aquatics Ad Hoc Committee;
- Public consultation to solicit feedback;
- Prepare promotional material for fund raising activities associated with the project;

In addition, it is required that incidental and minor items, specified or implied by the nature of this type of work, be completed within the Proponent's scope of work.

**Recreation Master Plan**

Replace the Lion Roy Grant Pool with a new outdoor pool in Mount Forest, potentially at Campbell deVore Park / Mount Forest & District Sports Complex, with the assistance of community fundraising.

Priority: High Short term

Considerations: Major capital impact (\$\$\$), partially offset by fundraising

Subject: Logo to Circulate

Good Afternoon,

Jayne and I have met and talked with Kim and this is a strong design we feel! It is very clear that it is pool related (we feared splashes may be related to splash pad) and still something classy and people would wear for all ages!

We were wondering if we can get this circulated to the committee and a vote ASAP as we are trying very hard to get this submitted for the June 29th date!

Please let us know your thoughts.

Take care,  
Larissa Lamont

***THAT Council of the Corporation of the Township of Wellington North direct staff to proceed with a request for proposal for the design of the Mount Forest Outdoor Pool as recommended by the Recreation, Parks and Leisure Committee.***

### BACKGROUND

Township staff have commenced work on the request for proposal (RFP) to find a suitable design firm to work with the Township Council, committees, staff, and the public to establish a conceptual design for the new Mount Forest outdoor pool.

The intent is to advertise this RFP document by the end of July for closing in late summer / early fall. The planned schedule for the pool remains design / fundraising in 2022 and construction in 2023, subject to Council budget approval in 2022 and 2023.

With this report, Township staff wanted to share the draft “scope of work” that has been developed for the RFP for discussion at committee. This draft “scope of work” was presented at the Mount Forest Aquatics Ad Hoc Advisory Committee and sent by e-mail after that meeting to solicit input.

### Scope of Work – General

Proponents will be expected to provide three conceptual designs for an outdoor pool and aquatic facility at 851 Princess Street in Mount Forest. The portion of property at 851 Princess Street reserved for the future pool and aquatics facility is ~38 m street frontage along Princess Street and ~105 m deep.

The conceptual design phase of the project will see the successful proponent, at a minimum, perform the following activities:

- Develop three conceptual designs for the basic model for an outdoor pool and aquatic facility;
  - o Design aspects that must be considered:
    - Deep end 40' x 80'; area 3,200 ft<sup>2</sup>
    - Shallow end 33' x 32'; area 1,056 ft<sup>2</sup>

    - Aquatic facility (~2,100 sq. ft.): Office, storage, mechanical room, changerooms and washrooms consistent with the current edition of Ontario's Building Code
    - Spectator seating
    - Facility parking is existing and will be shared with the Mount Forest & District Sports Complex
- Prepare conceptual designs for a minimum of five additional features that could be included within the design for the pool and aquatic facility;
  - o Feature aspects that must be considered:
    - Leisure pool with zero-depth entry
    - Low profile amenities/water jet bubblers
    - Whale tail water feature
- Develop high-level budgets (plus or minus thirty percent) for each concept and each additional feature including a projected annual operating costs;
- Meet twice (2) with staff – project kick-off meeting, design review;
- Meet once with Recreation, Parks and Leisure Committee and Mount Forest Aquatics Ad Hoc Advisory Committee;
- Public consultation to solicit feedback;
- Prepare promotional material for fund raising activities associated with the project;

In addition, it is required that incidental and minor items, specified or implied by the nature of this type of work, be completed within the Proponent's scope of work.
