OUR VISION

To establish more opportunities for youth involvement in Wellington North so as to create a safe and empowering community that reflects a positive perception of youth!

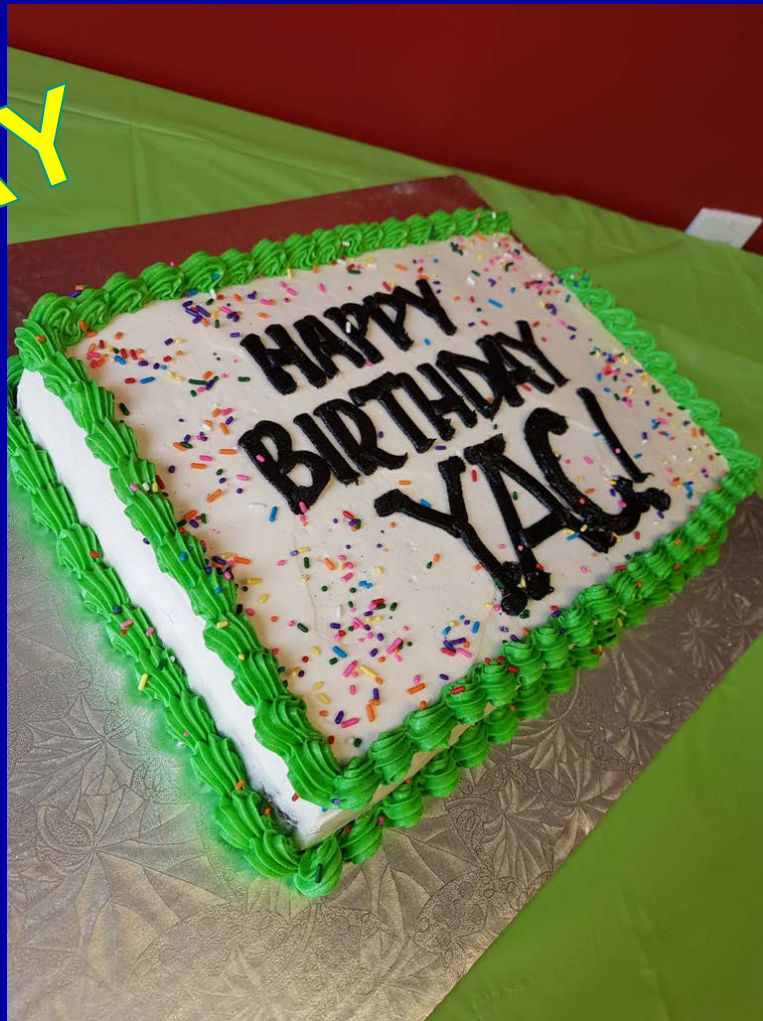

OUR MANDATE

- Plan special events to promote a positive perception of youth
- Create a welcoming and safe space for youth during our YAC meetings
- Create awareness of the YAC in the community
- Increase YAC membership through positive messaging
- Promote current opportunities available to youth in the community
- Develop a marketing campaign for YAC
- Establish community partnerships
- Develop a relationship with Wellington North Council and advise them on issues important to youth
- Plan educational and training opportunities for youth and adults
- Become youth allies- connect youth with local resources and supports
