

**MAIN STREET NORTH AND MOUNT FOREST DRIVE (Mount Forest)
NOTICE FOR START OF CONSTRUCTION**

Please be advised that the Main Street and Mount Forest Drive intersection upgrades including the installation of new traffic control signal lights will be completed by Alfred Fach Excavating (Contractor). R.J. Burnside and Associates Limited (“Consultant”) has been retained to provide Contract Administration and Inspection Services for this project. The Town Liaison for the project is B.M. Ross and Associates Limited.

The Contractor anticipates construction to commence on or after **Thursday September 28, 2023**, and is expected to continue until the end of November 2023. The section of road will remain open during construction while the Contractor maintaining a minimum of one lane of traffic at all times and controlled by traffic control devices. Construction and advisory signs will be erected prior to construction. We advise that when driving or walking through and around the construction work zone, that you follow and obey the construction signage for your safety and for the safety of the workers.
