

Building a safe, sustainable, welcoming community.

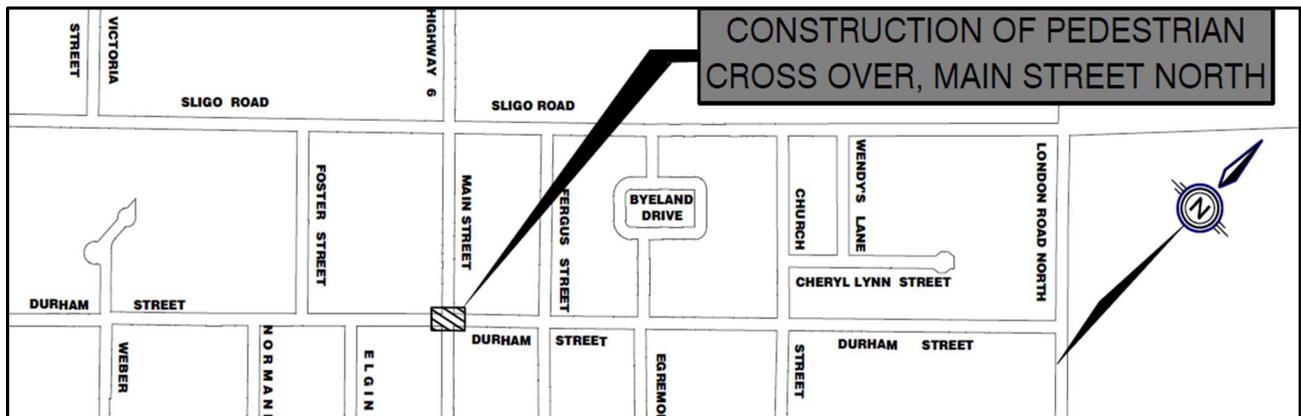

Hand Delivered

Main Street North (Highway 6) & Durham Street, Mount Forest NOTICE OF CONSTRUCTION

May 8, 2024

The Township of Wellington North wishes to advise you of the Construction of a Pedestrian Crossover at the intersection of Main Street North (Hwy-6) and Durham St, Mount Forest (refer to key plan, below). The first phase of construction to remove and replace a fire hydrant will commence the week of May 13th. Construction activities will continue intermittently through to the end of August 2024. The Contractor for the project is Cox Construction Ltd. of Guelph, Ontario.

Main Street North, within the identified limits, may be reduced to one lane of two-way traffic during working periods (typically 7 am through 7pm, Monday through Friday) at various times throughout the construction period. The roadway will be opened to two lanes of two-way traffic during non-working periods throughout the construction. Local and emergency access will be maintained throughout construction; however, access to driveways may be interrupted at various times during this period.

Construction personnel will be on site during construction activities to assist with safe school pedestrian traffic crossing Main Street at Durham Street.

Stronger together since 1999
