

Cultural Moment

Pick-up your copy of the 2015 Wellington North Simply Explore and the Butter Tart Trail brochure to learn about all of the great offerings that contribute our unique culture.

Highlights Include:

Always the third weekend in July, the **Mount Forest Fireworks Festival** celebrate their 15th Anniversary! Ignite your summertime plans– the Mount Forest Fireworks Festival has been one of Ontario’s Top 100 Festivals and Events for eight years running: Experience amusements, live entertainment, interactive kids’ shows, sidewalk sales, music, breakfasts, barbeques, one of Canada’s Top 10 largest classic car shows and of course, a spectacular fireworks display!

We’re proud of our heritage and we show it! We’re known for our rich heritage and revel in it during events such as **Culture Days and Doors Open** (September 26th) which celebrates art and culture with free, hands-on interactive activities that allows visitors to “peek behind the curtains” and experience the most intriguing and charming cultural, architectural and heritage treasures first-hand.

We celebrate real food grown locally that delivers an authentic experience with fresh, local flavours through **Taste Real** partners, **Horticultural Trail** members and at the **Wellington North Farmers’ Market**. We offer a ‘sweet’ time celebrating all things ‘butter tart’ on **The Butter Tart Trail**. On this self-guided tour there are at least a dozen varieties of tarts you’ll come across. There are also other inventions like doggy butter tart treats, pottery dessert trays, inspired scents, aprons and other desserts that you’ll come across.

NEW this year, we have partnered with the Town of Minto and Mapleton Township to bring you a **Northern Wellington Cycle Route**. Simply Explore Rural Routes Tastes and Treasures as you travel through tranquil vistas and loop back into our picturesque villages and towns.

For more information on the above and to learn of other offerings, download a copy of the map brochure, visit our website or pick up your copy today.
