## **MADE IN WELLINGTON WELLINGTON WOOD PRODUCTS**

As part of the International Plowing Match and Rural Expo (IPM), the County of Wellington and its seven member municipalities will showcase various products 'Made in Wellington' as part of the overall County Showcase experience.

Wellington North's 'Made in Wellington' feature is a display of packaging from Mount Forest's Wellington Wood Products.

Wellington Wood Products have been manufacturing Produce Packaging in Canada for over 70 years and are a family owned and operated business.

Ken Hincks started with the company in 1952 and became an owner in 1972. Ken's sons, Paul and Peter joined the company in the early 1980's and continue to enjoy being part of the Fruit and Vegetable Packaging industry.

With a dedicated and knowledgeable staff, they continue to offer reliable service to the produce industry. They are constantly aware of growers' packaging needs as well as industry trends. Their goal is to produce quality products at fair prices and to be available to serve customers in a quick and efficient manner. With a large fleet of trucks and warehouse facilities, they are large enough to meet all of your Fruit and Vegetable Packaging needs, and small enough to provide exceptional, personable service.

The Wellington County Showcase will give IPM visitors the opportunity to learn about the County in a fun and interactive way. The Showcase will feature a zip line over top of living, growing, Wellington County map, local entertainers, food and drink samples, a farmers' market & more. Visit Wellington North in the County Showcase to see this Made in Wellington feature, contribute to the living mural by artist Cliff Smith, get your photo on a buggy and learn about our rich and robust history.
