## SOUTH LUTHER SCHOOL

*DOORS OPEN WELLINGTON NORTH PARTICIPATING SITE  
SATURDAY, SEPTEMBER 27<sup>TH</sup> 10AM- 4PM*

South Luther School is located at the corner of the Second Line of West Luther and the East-West Luther Townline. It was a union school which served the local community in both East and West Luther from 1882 until it was closed in 1964.

In 1964, the local community took the building over as the South Luther Community Centre and used it for a variety of recreational purposes such as family reunions, celebrations and sporting events. The interior of the building continues to resemble a one room school house, complete with hardwood floors and blackboards.

In 2004, the building was closed due to the need of repairs. The Friends of South Luther School was then established and became incorporated in 2006, to act as a charitable organization to work to restore the school building, so that it could be used again as a community centre and place to share heritage. After receiving funding from the Ontario Trillium Foundation in 2010, renovations were made and the South Luther School was open once again.

On September 27<sup>th</sup>, come and explore the one-room schoolhouse as it would have looked during the First World War as part of Doors Open Wellington North.

Both children and adults are invited to take part and experience some old-fashioned activities.
