PREVIOUS REPORTS/BY-LAWS/RESOLUTIONS

None

BACKGROUND

Following the April 29, 2025 Mount Forest Aquatics Ad-Hoc Advisory Committee Meeting, staff were asked by the committee to create a draft of a newsletter to be distributed to the community, similar to the one recently distributed by the Louise Marshall Hospital Foundation.

Using the model of the Hospital Foundation newsletter, staff created a draft that included information about the new Mount Forest Outdoor Pool, highlights of recent donations, quotes from supporters of the project, information on how to purchase Mount Forest Pool Swag, and more. This newsletter would be 11" by 17" in size, double sided and folded in the middle to produce a four-page newsletter.

The first draft of the newsletter was reviewed by the Fundraising Sub-Committee at its meeting on June 10. Following that meeting, it was suggested in email correspondence amongst committee members that alternate delivery methods be investigated and quotes obtained.

Staff investigated printing and distribution options for the newsletter, which are summarized below. Detailed breakdowns of each option via Canada Post are included in this report as Attachment A. Wellington Advertiser prices are from their 2025 rate card.

All prices include taxes and other fees, unless otherwise noted.

Distribution Method	Circulation	Cost
Canada Post – Coverage Option 1 * <i>All of Wellington North, Ayton, Clifford and Holstein</i>	8,599	\$2,069.69
Canada Post – Coverage Option 2 * <i>Mount Forest, Ayton and Holstein</i>	5,033	\$1,211.39
Canada Post – Coverage Option 3 * <i>Holstein and Mount Forest</i>	4,443	\$1,069.39
Canada Post – Coverage Option 4 * <i>Mount Forest only</i>	3,996	\$961.80
Wellington Advertiser – Two-Page Spread	40,441	\$5,566.08
Wellington Advertiser – Flyer Insertion * <i>Mount Forest and Holstein</i>	4,271	\$361.97
Wellington Advertiser – Flyer Insertion * <i>Mount Forest only</i>	3,696	\$313.24
Wellington Advertiser – Flyer Insertion * <i>All of Wellington North</i>	5,498	\$465.96
North Wellington Community News – Two-Page Spread	13,887	\$2,904.48
Biz Bull – Four-Page Spread	12,200	\$2,034.00

* These methods do not include the cost of printing.

The table below illustrates the printing costs, as acquired through a request for quote, which is included in this report as Attachment B. Requests were made to two local printing companies for quotes, with only one company providing a quote by meeting time.

Printer	Quantity	Cost
Print One	4,000	\$1,073.50
	4,500	\$1,101.75
	5,100	\$1,124.35
	8,700	\$1,762.80

Below are some things to consider for each delivery method.

Canada Post

Canada Post delivers to each and every mailbox within a specified area, and delivery can be targeted to specific postal codes and delivery routes. This includes apartment buildings, businesses, farms and residential areas. Residents typically review all pieces of mail in their mailbox.

Wellington Advertiser/North Wellington Community News

Both publications have high circulation (great reach) and is delivered weekly to homes. Several residents report that they have not received the paper at their home in weeks or even months due to a lack of carrier. There is also a certain segment of the population who don't even open the paper when they receive it (i.e. it goes straight in the blue box).

It should be noted that the Wellington Advertiser expressed interest in a potential in-kind sponsorship when staff asked for a quote.

Biz Bull

As a monthly publication, the Biz Bull tends to have a longer "on table" life than other publications. Has a high circulation (12,200), and is delivered to every mailbox in Wellington North, as well as Conn, Holstein, Varney and all of Minto. It should be noted that the Biz Bull has also offered to publish a monthly project update (to be curated by the Committee) free of charge.

Another method that staff suggest being used, in addition to print, is having the newsletter available on the Mount Forest Pool Build social media channels and on the Mount Forest Outdoor Pool page on the Township website. That way, this newsletter can be shared with residents and other interested parties outside of the mentioned distribution areas.

FINANCIAL CONSIDERATIONS

Capital – None.

Operating – Funds to cover these expenses will come out of the Mount Forest Aquatics Ad-Hoc Advisory Committee Bank Account. The amount depends on the direction provided to Staff.

Staffing Implications – Some staff time will be needed to create the final draft of the newsletter.

Mike

I would do this for \$450 a page, so \$1800.

Additionally, as we go along, I would encourage the committee to create a monthly update to be shared in the publication (I would treat as news). Pictures would be great. You would need to trust me on 'size' for such a discussion.

Subject: Quote for Mount Forest Aquatics Ad-Hoc Advisory Committee

Good morning, Jeff,
 The Mount Forest Aquatics Ad-Hoc Advisory Committee has asked me to get some quotes for a "newsletter" they are looking to distribute sometime in the next few months (exact time TBD). I am wondering if you could provide me with a quote for four consecutive full pages, full colour. All four would come camera ready.

The committee has a meeting in early July, where they will consider the quotes before them. If I could get something in the next week or so, that would be greatly appreciated. And if you could include your updated circulation (I have you at 7,800), I would like to include that info in my report to the committee as well.

Thanks,

Mike
