Campers 10 years and older may leave by themselves if this has been indicated during registration.
- If a camper is not picked up by camp closing, every attempt will be made to contact either the parent/guardian or emergency contacts. If the Township of Wellington North has not been contacted or the persons at the emergency numbers cannot be reached, the local authorities will be called to locate the parent or guardian.

Attendance is taken each morning and at various times throughout the day. If your camper is going to be absent, late, or leave early, please email the Day Camp Site Leader or send a written note to camp prior to the absence.

Lost and Found

There will be a lost and found bin on site and staff will work with parents to locate missing items. We strongly encourage campers to check for their personal belongings before leaving each day.

Quality Supervision

Our staff to camper ratios reflect our commitment to quality program supervision. Our camps operate with a ratio of 1 leader for every 9 campers. All staff are certified in Standard First Aid, CPR C, and those of eligible age, also require a vulnerable criminal reference check. In addition, they are trained to interact with children in a positive and developmentally appropriate manner as all camp staff are certified in the HIGH FIVE - Principles of Healthy Child Development.

Lunches and Snacks

For the safety of those with life-threatening allergies, our camps are a "nut aware" environment. If any additional allergies are identified, they will be listed in the weekly newsletter prior to each session, so snacks and lunches can be prepared accordingly. **Please do not send peanut, nut, sesame, or chickpea products to camp.** Please send energizing snacks including fruits and vegetables.

Hot dog and Pizza Lunches: The Township is excited to announce that weekly pizza and hot dog lunches are included in the cost of day camp this year. If you have any dietary restrictions, please let the site leader know and indicate it on your parent package. Hot Dogs are scheduled for Thursdays and Homemade Pizza on Fridays. We recommend that campers continue to bring healthy snacks and drinks for nutrition break. Please complete the Hot dog form and submit it with your parent package.

Inclusion at Camp

Campers with support needs that are not met by large group supervision ratios, are welcome to bring a volunteer or family member, 16 years of age or older, to join them and support in this capacity.

Camp Attire

Campers should come ready for fun! Please ensure your child is dressed appropriately to be active and engaging in various types of activities throughout the day. We encourage campers to come in layers that can be removed or added during the day depending on the weather. Appropriate footwear is essential for all activities (walking, running, water games, hikes etc.). A change of clothing is recommended.

Inclement Weather

Rain or shine, we are here to explore and discover new things! We plan much of our camp day to be outside, though during inclement weather, the program will relocate inside.

Medical Information

Please ensure camper medical information is updated during registration, including an emergency contact. Should a camper require medication while at camp, please inform the Day Camp Site Leader and complete the Medical Administration Form. The Medical Administration Form must be completed before medication can be accepted. Medication must be in the original container with its original label. No over the counter medications can be used without written instructions from a physician. All medications will be stored in a locked box, except for auto injectors and inhalers, which are carried by the camper in a waist pouch.

Staff do not administer medication but will supervise campers capable of administering their own. In the case of a life-threatening situation where the camper is unable to administer medication such as an auto injector or asthma inhalers, staff will assist.

In the event of a medical emergency, camp staff, recreation staff and/or lifeguards will provide immediate medical treatment, including follow-up with EMS if necessary. Parents will be notified in the event of a medical emergency.

We are excited that you are joining us for our second year at the Damascus Camp location. Our staff have planned many thrilling activities including outdoor exploration, culinary experiences and unforgettable adventures. Damascus Day Camp is the perfect place to try new things, learn new skills and create lifelong friendships. We can not wait for you to join us in what is bound to be memorable season.
