# Township of Wellington North Approves Drinking Water System Financial Plan

On October 29, 2025, the Council of the Township of Wellington North passed a resolution, pursuant to Ontario Regulation 453/07, regarding the Township's Drinking Water System Financial Plan.

A Financial Plan is a requirement for drinking water systems under the Safe Drinking Water Act, 2002. This financial plan represents one of the key elements required to obtain or renew a Municipal Drinking Water Licence.

The plan is available on the Township's website under the following link:
