DOMVILLE STREET (Arthur) NOTICE OF CONSTRUCTION AND ROAD CLOSURE

May 15, 2026

The Township of Wellington North's Contractor, Drexler Construction, is preparing to resume construction on Domville Street, between 150m west of Preston Street and Conestoga Street (see below Key Plan). Construction will include deficiency work, as well as paving operations. Drexler plans to mobilize their equipment and resume construction the week of May 19th, 2026, and will continue until the end of June 2026. Domville Street, between Preston Street and Conestoga Street, will be closed to through traffic during the construction period. Temporary closure of the intersections with Preston Street, Andrew Street and Conestoga Street may be required for short durations throughout the construction period and advance notice will be posted on the Township's website. Local and emergency access will be maintained throughout construction; however, access to driveways will be interrupted at various times during this period.

Key Plan

Regarding garbage and recycling: On your designated waste and recycling collection days, please put your bags and recycling boxes at the standard roadside pick-up location by 7 a.m. Construction staff will pick them up and move them to a designated pick-up location as coordinated between Drexler Construction and the County of Wellington Solid Waste Services Division. Drexler Construction will return your recycling boxes to your property. Please ensure your recycling boxes are clearly marked with your civic address.
