JOHN STREET (MOUNT FOREST) NOTICE OF CONSTRUCTION AND ROAD CLOSURE

June 12, 2026

The Township of Wellington North's Contractor, Moorefield Excavating Ltd of Harriston, Ontario, is preparing to resume construction on John Street between Queen Street West (Highway 89) and Waterloo Street (see below Key Plan). Construction will include CCTV inspection of the mainline sanitary sewer, deficiency work, as well as surface asphalt paving operations. Work will begin the week of June 15th and will continue through the end of July 2026. John Street, within the project limits identified in the key Plan, will be closed to through traffic at times throughout the construction period. Temporary closure of the intersection with Waterloo Street may also be required for short durations throughout the construction period. Local and emergency access will be maintained throughout construction; however, access to driveways will be interrupted at various times during this period.

Key Plan

Regarding garbage and recycling: On your designated waste and recycling collection days, please put your bags and recycling boxes at the standard roadside pick-up location by 7 a.m. Construction staff will pick them up and move them to a designated pick-up location as coordinated between Moorefield Excavating Ltd. and the County of Wellington Solid Waste Services Division. Moorefield Excavating Ltd. will return your recycling boxes to your property. Please ensure your recycling boxes are clearly marked with your civic address.
