

Sidewalk Weed Control Notice

The Township of Wellington North would like to advise residents that weed control operations will be taking place on sidewalks throughout Mount Forest.

Spraying is scheduled to begin July 7th, 2026, weather permitting, and will continue until the work is complete.

Residents are encouraged to avoid treated areas until the product has dried. Appropriate signage will be posted in the treatment areas during the application.

Thank you for your patience and cooperation as we work to maintain safe and well-maintained sidewalks throughout the community.

If you have any questions, please contact Kurt Ferguson Transportation Superintendent
